

Certified and Submitted Application Status

This job aid provides step-by-step instructions for users on how to pull a report in the DWS (Dean's Office WorkStation) system to identify students who have or have not certified and submitted their application. The report aims to assist administrators and faculty members in efficiently identifying and managing the certification status of student applications within the MyERAS® platform.

1. Navigate and log in to [DWS](#).

2. Select the Analytics tab to access DWS Analytics.

3. Select View More located in the Student Activity card.

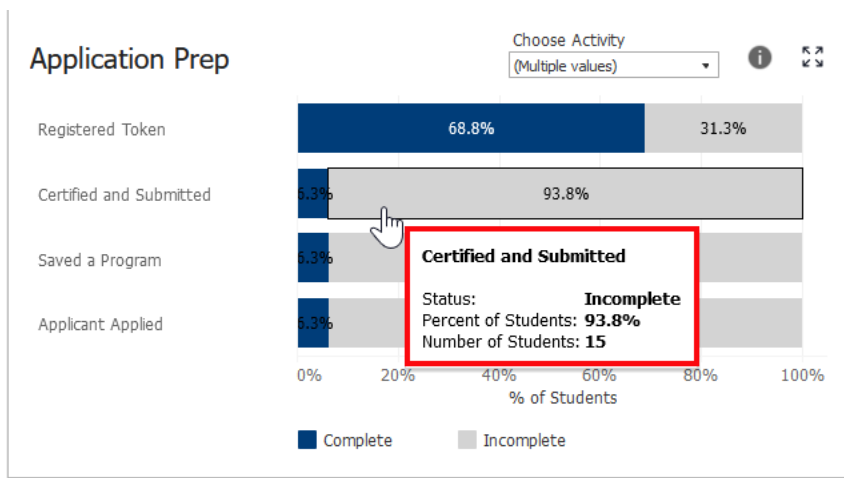

4. In the Application Prep card, locate the certified and submitted activity to view students who have and have not certified and submitted their MyERAS application.

5. To view student-level details, hover over the gray and blue bar.
6. The student-level details include:
 - a. Status
 - b. Percent of Students
 - c. Number of Students

To view students who have **not** certified and submitted their application:

1. Hover over and click the gray bar.

Note: The status for students who have not certified and submitted their application will be **Incomplete**.

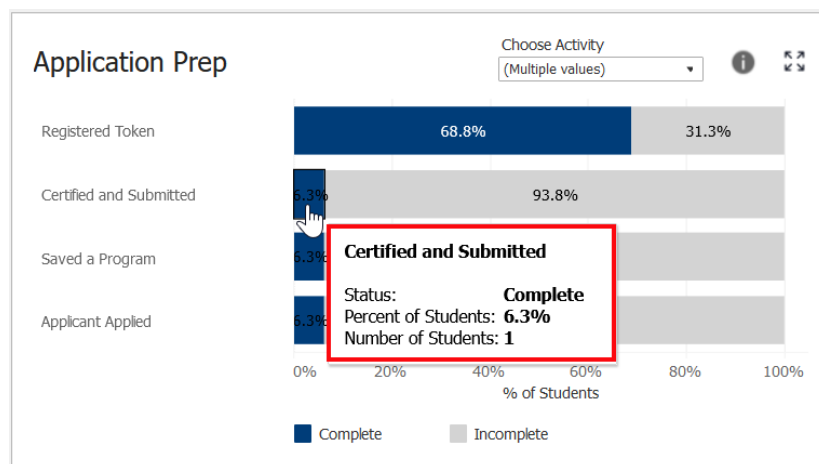

- When the gray bar has been selected, a filtered crosstab will open with a view of students who have an Incomplete status for the Certified and Submitted item.

To export data from the Applicant Details crosstab:

The screenshot shows the 'Applicant Details' page with a table containing one row of data for Alarin Carthan. A 'Download Crosstab' dialog box is open in the center. The dialog has a title bar with a close button. Inside, it says 'Select a sheet from this dashboard' and shows five sheet icons. The second icon, 'Export Student Results', is selected with a checkmark. Below the icons are labels: 'Export Applic...', 'Export Stude...', 'No Data - App...', 'No Data - App...', and 'No Data - Dc'. Below these is a 'Select Format' section with two radio buttons: 'Excel' (selected) and 'CSV'. At the bottom right is a blue 'Download' button. Red numbered callouts are present: 1 points to the download icon in the top right of the page, 2 points to the selected sheet icon, 3 points to the Excel radio button, and 4 points to the Download button.

1. Click the Download icon.
2. Select Export Student Results.
3. Select a format.
4. Click Download.
